Trimming Your Dog's Nails

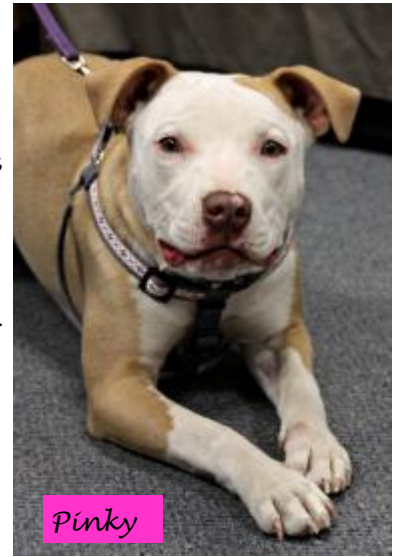

Does your dog sit nicely and offer you his paw while you trim his nails? No. Well, you're certainly not alone. Lisa Kelley and Carol Bishop will present a mini seminar offering tips, techniques, and tools to learn how to desensitize your dog to a nail trim.

Be sure to attend the meeting on Tuesday, May 10th at 7:00 p.m.

Pinky

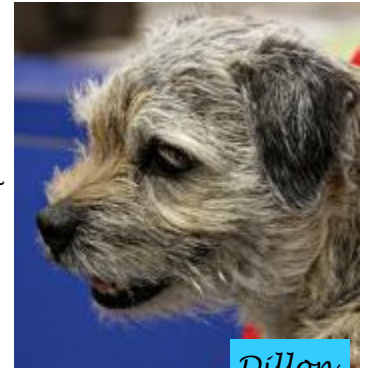

I have to brag on eleven extraordinary AOTC dog and handler teams that were part of Lamar Elementary Science Day. Thanks to the handlers for sacrificing part of their day to help educate and entertain young minds and answer all kinds of interesting questions and hear countless stories! Hats off to the extraordinary dogs who tolerated lots of slimy grimy fingers and hugs from students! 3 extraordinary dogs had their first experience with this type of outreach and were rock stars! The best part.... We have already been invited back. AOTC members ROCK! ~ Christi Ferguson
